

The background features a large, circular, stylized mandala pattern. It consists of a central dark blue circle surrounded by eight gold-colored rings. These rings are arranged in a circular pattern, with each ring containing a teal-colored shape. The overall design is symmetrical and vibrant.

English Reading

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”

— Dr. Seuss, *I Can Read With My Eyes Shut!*

At St. Kenelm's, the heart of our reading strategy is our drive to foster a love of reading, enriching children's learning through carefully designed teaching activities that utilise imaginative stories and thought provoking texts. We give our pupils the very best start they can have - balancing learning to read with enjoyment of books and other texts. We are dedicated to enabling our pupils to become lifelong readers and we believe reading is key for success.

We recognise the importance of reading and aim for all of our children to become confident, independent readers with an excellent understanding of what they read. We believe that reading 'opens the door' to learning, enabling children to access a wider curriculum. Children who read a lot will go on to become lifelong learners. We have high expectations of all pupils and we encourage them to challenge themselves, persevere and pursue success.

High quality texts and passages are chosen, appropriate to the expectations of the year group or ability of pupils, and teachers use this to model the application of the agreed reading skills. Pupils are taught to relate the text to themselves, previous reading experiences and the world around them.

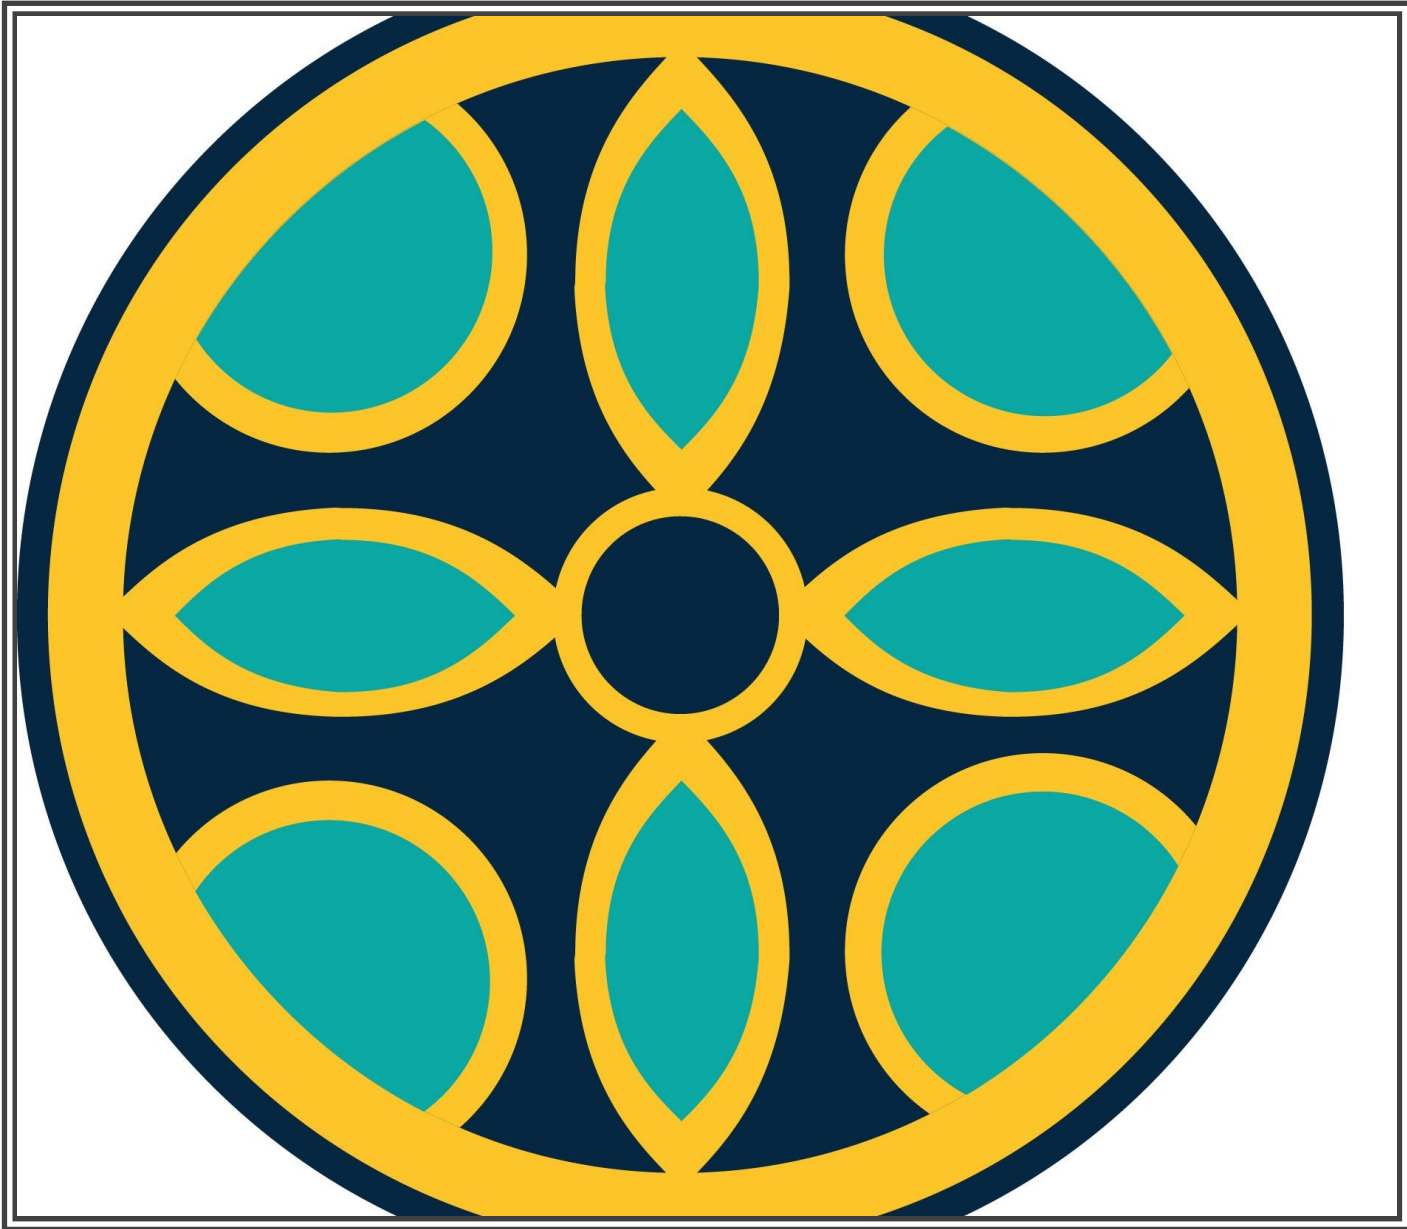

Each classroom has an appropriate selection of books which are directly linked to the class topic. This offers opportunities for pupils to apply their reading skills across the curriculum. Children are read to each day by their class teacher. This can be a book that the teacher recommends to the class or a recommendation from a child. These books will usually link to their topic however they might link to our 'theme days' or school values.

During daily Guided Reading sessions, pupils have the opportunity to read texts with greater independence and apply their skills when responding to the wide range of questions.

At St. Kenelm's, we believe that regular reading at home is an important tool in developing reading skills. Levelled titles are used for home-reading to ensure that children experience a wide breadth of reading opportunities across different genres. Pupils work through the wide variety of books at their own pace. Teachers monitor their progress and determine when best for children to move onto the next series, ensuring that a range of titles have been explored and understood.

Children have the opportunity to take part in 'Reading Buddies', in which children mix with other children from different year groups and share books together.

We believe that reading is key to all learning. The impact of our reading curriculum goes beyond the results of statutory assessments. Children have the opportunity to enter the wide and varied magical worlds that reading opens up to them. As they develop their own interest in books, a deep love of literature across a range of genres, cultures and styles is enhanced.

Through the teaching of systematic synthetic phonics and reading, our aim is for children to become fluent and confident readers who can apply their knowledge and experience to a range of texts through the Key Stage 2 curriculum.

Phonics

At St Kenelm's, we use the Department for Education validated scheme *Jolly Phonics* for our teaching of phonics.

This allows the phonics teaching and learning to be progressive from Early Years, which marks the start of systematic synthetic phonics work. Phonics activities are practical and fun, to encourage learning.

During Shared and Guided Reading, phonics work is reinforced by class teachers in the context of real texts. Reading skills are developed across the curriculum.

Through fidelity to the scheme, provision is made for children, across the school, who require extra support through differentiated class teaching and carefully planned activities.

Reading

Reading is a **multi-strategy approach** to understanding the written word. It is not simply the decoding of black marks on the page but involves the ability to read with understanding a wide range of different texts, including fiction, non-fiction, real world texts such as labels, captions, lists and environmental print. Competence in reading is the key to independent learning and therefore the teaching of reading is given a high priority by all staff. Success in reading has a direct effect on progress in all areas of the curriculum and is crucial in developing children's self-esteem, confidence and motivation.

Through the teaching of phonics, gradually the 42 letter sounds, the main alternative letter sounds and more frequently occurring tricky words are taught. Once these are secure, children will progress onto segmenting and blending with word boxes, and once confident, will then advance to the Little Word reading books.

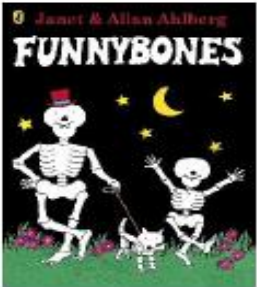

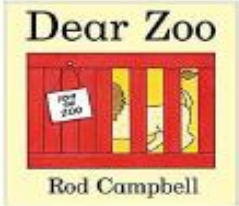

At St. Kenelm's, we provide reading books that are entirely decodable through phonics alone. These books provide opportunities to read and enjoy books for pleasure, outside standalone phonics lessons. We also use a book band system for children to work through. By the time children reach Upper Key Stage 2, we would hope the majority of children would be free-readers. A free-reader is able to select their own books based on books for their age range.

Progression of skills in Reading Comprehension

EYFS Early Learning Goals:

Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions.

Make comments about what they have heard and ask questions to clarify their understanding.

Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary

Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate

Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.

Anticipate – where appropriate – key events in stories

Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.
