

SPRING

7th March 2022

Nurturing each and all. Guiding, Trusting, Inspiring and Celebrating

Dear Families,

Welcome back to the second half of the Spring term. The term has started with a bang as we have thrown ourselves into World Book Week. We have all turned our classroom doors into books, teachers have read around the school, we have held a very successful book swap (thank you for your donations) and, on Thursday, the school became a riot of colour as the children (and staff) arrived, dressed up to mark World Book Day. A fantastic effort was made by all.

This week, Charterville are off to visit a sewerage farm as part of their topic, *Earth Matters*, this term, and we will all be involved in British Science Week from 11th-20th March.

This term our school value is Respect. We will be considering what this means and how we can show respect, both in school and within our community.

"I believe no matter who you are, respect yourself, respect others." Mo Farah.

Parents' Evening

We will be holding Parents' Evenings this term on Monday 28th March, Thursday 31st March and Wednesday 6th April. Class teachers will provide you with further details nearer the time and inform you which dates they will be available for.

Covid update

Unfortunately, we have again started the term with positive cases, both in staff and pupils. Please keep your child off school if they have Covid symptoms and test daily. If they test positive, they cannot attend school. If they test negative on day 5 and 6, they may return to school. However, if they test positive on day 5, you must repeat daily testing until you have two negative results taken 24 hours apart. Please be reminded that the date of the positive test is counted as day 0.

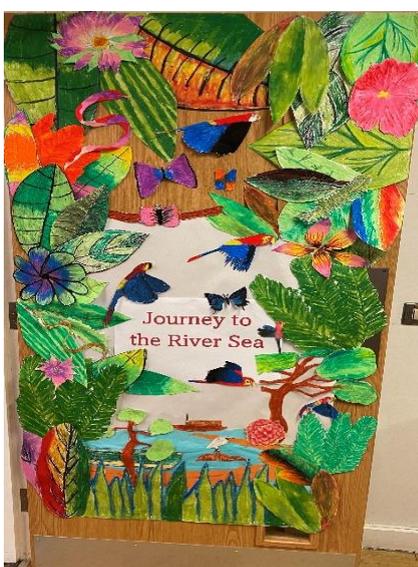

Whilst many Covid restrictions have been lifted, the Department for Education still direct us that children should stay at home until they test negative. This is to protect everyone and to prevent us from closing classes if we have an outbreak.

Google Classroom

We will continue to use Google Classroom as our online learning platform. If your child is absent, due to Covid, and is well enough, then please access learning here. If you have trouble accessing resources, or require further support, please do not hesitate to ring the school office for further assistance.

Comic Relief

This year, Comic Relief is on Friday 18th March. Children are invited to come to school wearing something red in exchange for a £1 donation. All monies raised will go to this event.

Best wishes,

Respect, Honesty, Friendship, Compassion, Thankfulness, Wisdom
