

SUMMER

28th May 2021

Nurturing each and all. Guiding, Trusting, Inspiring and Celebrating

Dear Families,

What a fantastic end to the term we have had. Sports and Health Week has been a resounding success and we have all had great fun. We have tried new sports and activities, learned new skills and participated with enthusiasm. Across the week, we have skipped, maypole danced, tried our hand at archery, table tennis, golf and orienteering, along with yoga, meditation, dance, parachute games and team building exercises to name a few.

Each day, the children have completed at least one challenge and have kept a daily record of these activities to complete their sporting sponsored challenge. Thank you for returning your sponsorship money so promptly. All money raised will go towards our class libraries, enabling us to update and replenish our books.

My favourite thing was country dancing because I have learnt new dancing that I never thought I could do.

Maya

I liked doing the golf because I can hit the ball super far off the cone.

Harrison

Benchball was lots of fun and I had never played it before.

Caspian

I loved running a mile because I learnt not to run too fast. I did run 11 laps of the playground.

Hazel

I liked going on a bear hunt in yoga.

Alfie

Respect, Honesty, Friendship, Compassion, Thankfulness, Wisdom

Today I did archery. Stuart, the archery teacher, taught us how to hold the bow and load it with an arrow. Then we had to pull it back to the corner of our mouth. Next, we let go of the string and fired at the target. Some people had to wear a wrist guard to protect their wrists.

Sam

On Monday, on Sports week, our class did some skipping and maypole. On the maypole, we did five dances: Chrysanthemum, Braid, Cobweb, Twister and Plait.

Scarlett

Today we did archery and it was amazing. The guy teaching us was hilarious. He told us funny jokes and facts but some were gross ones too. Also, I came in 6th place out of 17. My best friend, Angelique, came in 1st. Today was amazing and I can't wait to see what tomorrow will bring.

Dora

On Tuesday, Key Stage 2 were lucky enough to do an archery tournament. Stuart taught everybody how to use a bow and arrow. When we arrived at the school field he greeted us and gave us a brace to help straighten and protect our arm/wrist. Everybody was nervous. The girls went first for their practice. The man put us into position on the shooting line and told us when to individually go. The girls did alright but the boys did better. The boys got gold and the girls got one too. In the final, two boys were sorted into a final and two girls in the final. Whoever got the worst score got kicked out. There was a boy and girl left. They shot.... The boys won by 1 colour.

Finlay

I hope you all have a great half term holiday and we look forward to seeing you all on 9th June, hopefully with better weather!

Best wishes,

Catherine Souck.
