

## Sport Funding Premium Report 2020/2021

The Sports Premium funding has been awarded to schools by the government with the specific expectation that schools should use it to make: "Additional and sustainable improvements to the quality of PE and sport they offer." In 2020-2021, St Kenelm's received and used the funding to improve the quality and breadth of provision across the school within PE lessons and to extend the opportunities for pupils. The government has committed to keeping the funding in place until 2022. It is for schools to decide how the PE and Sport funding is spent.

At St Kenelm's, we are committed to providing children with a broad, balanced, rich and engaging curriculum which will allow them to develop their potential across a wide range of learning experiences. A key element of this is the opportunity for children to participate in an exciting and diverse variety of sporting experiences and stimulating, interesting PE lessons which support good health and fitness, team co-operation, individual challenge and the development of competitive spirit.

Schools are able to carry forward any unspent funding, that couldn't be used due to coronavirus, from the 2019/20 and 2020/21 academic years over to the 2021/22 academic year.

- To promote exercise, healthy lifestyles and mental well-being by offering a variety of sports and activities.
- To raise standards in PE – Continue to use qualified coaches, who have the knowledge and expertise to challenge our pupils and develop standards throughout the school.
- To employ a qualified sports coach for lunchtime and after school clubs.
- To increase opportunities for all pupils to take part in internal and external sporting activities.
- To use specialist sports coach to help review our current provision, working alongside staff, to develop our sports vision and to improve our PE curriculum.
- To further develop outdoor learning.
- To widen opportunities to take part in sporting activities not usually accessible to primary school children.
- To identify and offer additional support in physical development for those who need it – pay for additional swimming lessons to enable pupils to meet the Y6 NC requirements.
